## precauzioni / warnings / précautions / Vorsichtsmaßnahmen / advertencias

Le viti e gli accessori per il fissaggio a parete e a soffitto degli adattatori extend non sono inclusi. Scegli viti e accessori di fissaggio adatti al tipo di parete o soffitto presente, dovranno essere in grado di sostenere peso e sollecitazione del prodotto installato.

In caso di dubbi per l'installazione non esiti a contattare extend.

The screws and accessories for fixing the extendo adapters to the wall and ceiling are not included. Use screws and fixing accessories suitable for the type of wall or ceiling, which must be able to support the weight and stress produced by the product installed.

If in doubt concerning the installation, contact extend.

Les vis et les accessoires pour la fixation murale et au plafond des adaptateurs extend ne sont pas inclus. Choisissez les vis et les accessoires de fixation qui conviennent au type de mur ou plafond, ils devront être en mesure de supporter le poids et les sollicitations du produit installé.

En cas de doutes pour l'installation n'hésitez pas à contacter extend.

Die Schrauben und das Zubehör zur Befestigung der Adapter extend an der Wand und der Decke sind nicht inbegriffen. Wählen Sie zur Befestigung die zur Wand oder Decke passenden Schrauben und Zubehörteile, denn sie müssen das Gewicht und die Belastungen des aufgebauten Produkts tragen.

In Zweifelsfällen wenden Sie sich bitte an extend.

No se incluyen tornillos ni accesorios para la fijación a pared o techo de los adaptadores. Deberán elegirse tornillos y accesorios de fijación adecuados al tipo de pared o techo en el que se instalen los productos, ya que deberán soportar el peso y la tendencia de los mismos.

Para más información sobre la instalación, no dude en contactar con extend.
